

EAPD Young Scientist Award 16th EAPD Congress, June 16th to 18th 2022 Lisbon, Portugal

EAPD Young Scientist Award (2 awards)

Description: The continuously changing interests and knowledge in the field of Paediatric Dentistry, has inspired the European Academy of Paediatric Dentistry to organise this Award for the best research presentation on a subject of importance for Paediatric Dentistry, given by a young scientist. Candidates should be EAPD members in good standing who are under the age of 40 years on the date of the EAPD Congress.

Award: There will be 2 awards; each award includes €1000 and a Certificate

The winners will be announced by the EAPD President at the Closing Ceremony of the Congress.

Procedure: EAPD members wishing to participate in the competition must submit their abstracts during the submission period of the EAPD Congress, indicating in the system that they are candidates for the Young Scientist Award. The Scientific Committee will review and evaluate all abstracts submitted for this competition. Only a certain number of eligible abstracts will be selected for entry into the competition at the Congress. The presenting authors of these selected abstracts will then be informed by the Scientific Committee, as being candidates for the Young Scientist Award, and must present their research at the EAPD Young Scientist Poster Award Competition Session at the Congress. The abstract should be presented by the presenting author otherwise the abstract will be withdrawn from the competition and will be presented as a regular abstract. Each short-listed candidate will be judged by three senior members of the EAPD who will decide on the winner and runner-up for this award.

Abstracts that are not selected for entry into the Young Scientist Award Competition may still be accepted for presentation at the Congress. The presenting authors will be informed of acceptance or rejection by the Scientific Committee.

Authors participating in EAPD Young Scientist Award cannot apply in any other Award competition of the Congress.

Research abstract and presentation requirements: All submitted research abstracts for the EAPD Young Scientist Award should follow the instructions to the authors regarding research articles as they appear in the 'General Guidelines for the authors' section.

Note: *This award is **only open** to any category of EAPD members of good standing (paid-up) under the age of 40 years on the date of the EAPD Congress. All other applicants will be rejected.*

The winners are expected to submit the article of their research for publication in the European Archives of Paediatric Dentistry within 6-9 months following the Congress.
